

MISTY MOUNTAIN ISH CHEST HARNESS

DESCRIPTION

Misty Mountain's Special Ops chest harness is designed for use in conjunction with a climber's sit harness where greater stability and hands free positions are required. The Special Ops chest harness features a sternum tie-in point and pre-threaded quick adjust buckles for ease of adjustment. Designed to be one size fits most up to 50" chest. Durable constructed using bonded nylon thread, desert tan nylon webbing and non-reflective forged steel buckles, the Special Ops chest harness is made in the USA from all domestic components and Berry Amendment compliant.
